Golf Simulator

December – March

The simulator will be accessible to members every Wednesday through Sunday throughout the winter season. (Please note the addition of Sundays).

The Winter League has begun, and teams have been communicated their standing weekly tee times. While the teams have committed to the year-long competition, weekly competitors are encouraged to join and play for skins on any week of their choosing. Participation in the league incurs a fee of \$10 per week for greens fees and an additional \$5 weekly for net skins. The pricing remains consistent for both week-to-week skins players and season-long competitors: \$10 for the round of 9 holes and \$5 for skins.

Operating Hours

The simulator will be available for use on Wednesdays through Sundays, between 11 am and 5 pm, until March. Please check the schedule for available tee times around already booked slots, league play and lessons.

Pricing

Renting the Simulator for practice or skill challenges will be \$20 per hour. Members pay \$10 for 9 holes and \$20 for 18 holes, while non-members pay \$15 for 9 holes and \$30 for 18 holes.

Reserving a Time

To secure simulator time, **we are going to utilize signupgenious.com** for booking tee times or hourly rentals. *It is imperative to make reservations at least 24 hours in advance of the*

desired time. The website is live and the Nittany Simulator page and directions on how to use the website were emailed. If you need help the first time, please contact Andrew who can assist and schedule a demonstration on how to use the site.

Lessons

Single lessons cost \$50 per hour and \$20 for half an hour. A 5-hour lesson package is available for \$150, providing \$100 savings. The five hours can be scheduled as weekly 30-minute lessons or bi-weekly hour-long sessions. To book a lesson, contact Andrew at 814-777-5529.

Congratulations to Dave Benner, the winner of the Golf Raffle.
